

Fellow Rotarians:

Hello! My name is Gloria Mink and I am excited to say that I will be taking the role of Executive Secretary for Rotary District 5580 starting on July 1st! I wish to take a moment to introduce myself to you and provide my contact information.

First, I proudly state that I am a member of the Brainerd Rotary Club (1390), where I actively serve as the Director of Public Relations. In March, I became the Webmaster for Rotary District 5580 and I look forward to continuing my service in Rotary as District 5580's Executive Secretary. I joined Rotary on the 4th of March in 2014. At that time, I had no idea how much Rotary would impact my life and my desire for "Service Above Self". I find extreme satisfaction knowing that I am involved in an international service club of this scale. I love that we are active! I love that every club and each member may have unique characteristics, but we all unite for one common purpose- TO SERVE! The enthusiasm I have for Rotary has led to a greater desire to be more involved with district leadership and communication of our efforts.

Next, something I am equally enthusiastic about- my family. My husband, Wes, and I met one summer while I was training horses for his mom. Yes. We are high school sweethearts! After high school, we moved to Minneapolis where I graduated with a Bachelor of Science degree in biology from the University of Minnesota. We currently work together at Start to Finish Builders and Remodeler's in Brainerd MN. When not busy at work or in service to others we enjoy time together with our three children, Julia (age 17), Connor (age 8), and Bryce (age 6). We enjoy running together along with many other activities which include; camping, back-yard BBQ, baseball, hunting, and anything/everything on the water! I also enjoy serving in the youth ministry and media departments at my church and I am a gregarious 4-H leader and photography judge in Cass and Crow Wing Counties. Every organization that recognizes the value of family and the impact we have when we work together is of high importance to me.

I genuinely look forward to this opportunity and am excited about the projects we will be working on together in the future.

If I can be of service at any moment please feel free to contact me.
